

## EVERYTHING is about 9-11 ... forever!!!

### 1. Who created Al-Qaeda?

National Security Advisor and CIA launched terrorists. Zbigniew Brzezinski proud of July 3, 1979 secret plan w/ **Democrat** Jimmy Carter. Destroyed Afghan society, **LURED** Soviets to invade, *six months later*. Would do it all over again. "Regret WHAT?!" **Ruthless** Wall Street players also backed Nazis before *and during* WW2. Barely failed at 1933 coup to overthrow US govt, oust FDR, install Military dictatorship like Hitler. US Gestapo still has same goals, but more subtle and "American".

### 2. Who "nourished" Al-Qaeda and made them strong?

CIA under **two Republicans**, Reagan and Bush, via Pakistan. MONEY, exotic weapons, guns, clothes, trucks, Jihad schools ("Madrassas"), PRESTIGE. Illiterate teenage villagers eager to join warlords w/ "bling" (fancy stuff from CIA narco-profits).

### 3. Who ran joint military operations with Al-Qaeda?

Pentagon and Mil contractors under Bill Clinton, **Democrat**. Google *Senate Republican Kosovo Report*. Read about KLA and Al-Qaeda, cousins, co-terrorists. Impeachable, hang-able evidence of TREASON suppressed by Repub. leaders, in favor of "Monica Lewinsky Scandal". **WTC bombing in 1993 was 99% run by FBI**. Arab patsies recruited by paid "informant".

### 4. How much money was spent funding Al-Qaeda?

\$6 BILLION, via Congress. Unofficial est. = \$20 to \$30 Bn. Iran-Contra and BCCI scandal money. Taliban reduced Heroin harvest, now exploding under CIA and Mil occupation. Taliban govt created by US for Unocal, planned pipeline partners.

### 5. What date did US support for Al-Qaeda cease?

Good question. Last reported, June/July **2001**, per Macedonia Prime Minister, near Kosovo. But US *still* in Kosovo **today**. One NGO called ACPC is run by Brzezinski and former CIA, **now** "working with" Al-Qaeda in Chechnya (allegedly "peacekeeping").

### 6. What has Osama Bin Laden accomplished for the Arab people?

Mass destruction, two whole countries lost, more domination, grief, sickness, suffering. Tens of thousands dead Arab civilians. More "INFIDELS" than before. Afghanistan run by Unocal execs. Iraq run by US puppets. Profits for oil speculators booming.

### 7. Who did "catch and release" on an Al-Qaeda operative in the USA?

Ali Mohammed (Muhammed), Osama's bodyguard, top tactician. Egypt Intell, helped kill Sadat. Six attacks on US, 1987-2000. Killed Americans. Enlisted at Ft. Bragg, Spec. Forces, Green Beret, Sergeant, Instructor, part-time Al-Qaeda. Hon. Dischg, w Valor. Hired by US Defense Co. FBI in contact. Pled guilty, 5 counts "Conspiracy". Vanished fr Fed Prison. (More like him.)

### 8. Who defended Al-Qaeda in court?

US prosecutor, Michael Chertoff (Whitewater), and fmr Sec. State James Baker. Chertoff given Homeland Security slot, after defending Al-Qaeda suspect in NJ. Baker, atty for Bush family since 1950's, blocked lawsuit on Saudis by "9-11 widows".

### 9. How many FBI agents and US military were blocked trying to prevent Sept 11?

Seven or ten FBI, three military officers. Maybe more. Obstruction, threats, before Sept 11. Now under gag orders.

### 10. What was the role of the hijackers who trained in Florida and California?

**Uncertain**. Some said Saudi "Hijackers" were cokehead playboys, dressed like Mafia, hung out in Sarasota, Miami, and US Mil bases. Blew money on lap dances, high-class booze. Gambled in "Sin City" Vegas, and on Repub-owned casino ship. Flight school = CIA-proxy airline in Venice, "protected" narco-trafficker, training paid by Yeslam Binladen. CFR-funded "student exchange" w Germany. Typical CIA covert op. **Unlikely** "Islamic Jihadists", nor suicide for Allah, nor anyone else. Some say they **were** rude, mean, angry with America/Israel. Or quiet, friendly. "*Lee Harvey Atta*". **Hani Hanjour could barely fly**. NORAD "failed" to stop him at Pentagon. NASA had remote control flight since '84, *possible alternative*. Eliminate risk that Arabs "chicken out".

### 11. What about Loose Change, In Plane Site, and the Pentagon? Truth or lies?

Loose Change **at least 50% FALSE**. Misdirection, confusion, controversy, sloppy. Target for "debunkers". Check **[www.911research.wtc7.net](http://www.911research.wtc7.net)** for point-by-point approval and rejection. Possible CIA disinfo, similar to some JFK trash.
