

PRESENTING evidence of a TERRORISM RACKET. War on Terror – an excuse for Fascism.

## EVERYTHING is about 9-11 ... forever!!!

What a crock! [www.takeoverworld.INFO](http://www.takeoverworld.INFO)

1. Who created Al-Qaeda? Zbigniew Brzezinski, National Security Advisor, under Jimmy Carter, with CIA. ZB told Le Nouvel Observateur in 1998: Secret action launched on July 3, 1979, to induce (not prevent) Soviet invasion of Afghanistan. "Regret WHAT?!! It was a brilliant plan." Reagan & Neocons also backed Islamic radicals against "Evil Empire".
2. Who "nourished" Al-Qaeda? CIA supplied guns, exotic weapons, GPS, vehicles, Jihad "Madrasahs" schools, and *prestige*. MONEY via clandestine Pakistan and Saudi networks. Young men recruited to join local warlords w/ CIA props. Reagan called vicious Afghan warlords like Gulbiddin Hekmatyar "Freedom Fighters, like Thomas Jefferson". Conservative Heritage Foundation and Christian Coalition backed lobby for Afghan warlords who worked with Saudi Al-Qaeda.
3. Who performed military operations with Al-Qaeda? Pentagon and contractors like MPRI under President Clinton, according to Senate Republican Kosovo Report. KLA operated with Al-Qaeda and USA/British forces. We cannot locate evil Al-Qaeda Dr. Ayman al-Zawahiri; his brother Mohamed al-Zawahiri was US agent, granted covert \$50M. Reports of joint US & Al-Qaeda ops in Kosovo during July-August 2001. US *still* manipulating Kosovo/Macedonia **today**. WTC bomb in 1993 was 95% run by FBI with paid informants, per court transcripts and even World Net Daily. Republicans *suppressed* potential charges of treason against Clinton, preferring "Monica Lewinsky" nonsense. Al-Qaeda is *joint* policy. Seymour Hersh reported in 2007 on Bush/CIA again backing **Wahabbi** groups similar to **Al-Qaeda** to oppose Shi' a, while backing Shi' a govt and warlords in Iraq to oppose Sunnis. This war is *against* Terror?! Coulda fooled me!
4. How much money did US give Al-Qaeda/Taliban? Officially, \$6 Billion. Est, \$20-30 B. Col Oliver North sold weapons to Iran to fund *both* Contras *and* Al-Qaeda. BCCI (CIA bank) scandal of 1980's, narco money laundering, weapons, heroin, terrorism. Poppies/heroin eradicated by Taliban now boosted under CIA control, profits cleaned via US corporations.
5. Who sought a bloodbath on American soil? Neocons. Trilateralists. At least FOUR sets of books and papers written by high-level Pentagon, Security, and Foreign Policy officials about VITAL NEED for more catastrophic events like Pearl Harbor. Why? Resistance and apathy about war requires more security threats, fear, and hype to push public & Congress to accelerate "aggressive policies" and "imperial mobilization", mass murder. Heritage Foundation, American Enterprise, Council on Foreign Relations/Foreign Affairs Mag, Project for a New American Century, Defense Policy Board, CIA, Pentagon. Past members of Committee on Present Danger which pushed pre-emptive strike on USSR. Astonishing: US media remains silent.
6. Did "Osama Bin Laden" help Arabs and Muslims? Massive losses, more domination by Western "infidels" than before, many thousands dead and maimed Arabs, immense grief, mourning, dislocation, refugees, and suffering. Afghanistan run by former Unocal exec and warlords. Who is "Bin Laden" figure really serving? Was Osama Bin Laden alias Tim Osman?
7. Key Al-Qaeda operative in USA: punished? Ali Mohamed had killed Anwar Sadat. Next joined Army at Fort Bragg, promoted to Sgt, went AWOL to fight Soviets in Afgh, AM's commander felt he was "protected". FBI and CIA in contact. High level Al-Qaeda tactician and bodyguard, AM orchestrated **six major attacks** on US targets. Pled guilty to "Conspiracy to Kill Americans Everywhere". No sentence recorded, poss released on Fed protection in 2003. *MANY* Al-Qaeda were on US payroll.
8. Who protected Al-Qaeda? NJ doctor Elamir charged w embezzling Medicare, funding Al-Qaeda. Atty Michael Chertoff got charges thrown out in 1999. Chertoff then promoted from Fed prosecutor to Homeland Security Director. Sept 11 victims sued Saudi Royals for evidence of aid to Al-Qaeda. Fmr Sec State James A. Baker III got Saudis *diplomatic immunity from American citizens*. Baker is Bush family atty since 1950s, fought for G.W. Bush at Supreme Court in 2000.
9. How many anti-terror agents reported roadblocks? Seven to twelve or more FBI and military officers reported roadblocks, threats, falsified reports. Some threatened into silence, before 9-11. Some now under gag orders.
10. How did "hijackers" prepare? Reported as party guys, drink and drugs, strip clubs. Not Muslim behavior. Flight trainers reported them as moderate to very poor pilots, yet **seasoned airline pilots** said 9-11 flights were near impossible. I say "disaster" was TOO VITAL to detailed multi-TRILLION-dollar plans for US World Domination to *risk* human failure of "suiciders" and "luck". Jetliners flown by remote control since **1984**; this makes more sense for guaranteed success.
11. How about "Loose Change", et cetera? Many such films are sloppy or dishonest. Bait for "debunkers". LC **about 50% FALSE**. [www.911research.wtc7.net](http://www.911research.wtc7.net) for point-by-point analysis. Others combine some good research with hyper-religious hyperbole about "Illuminati" and Satan.
